Any more than one attendant's ticket will not be issued to any exhibitor, except in the case of live stock or machinery which may require extra attendants. As these tickets are positively not transferable under any circumstances, exhibitors who may desire to change their attendants must have their tickets exchanged at the office, for which a charge of fifty cents will be made. The names of all attendants must be written on the tickets, and no ticket will be accepted at the gates unless the name of such attendant has been written thereon in ink. Attendants' tickets will only be good at the attendants' gate.

Judges and members of the press will be furnished with badges, this being intended only as a means of showing their official connection with the exhibition, and not for the purpose of securing admission to the grounds.

All entries must be made on the printed forms accompanying the Prize Lists. The forms are to be filled up and signed by the exhibitor, and sent to the Secretary of the Society at New Westminster on or before the following date, viz.: Friday, September 30th, and no entries will be received after this date under any consideration. Positively no entries will be received after Friday, 30th Sept,

Agent for Ram Lal's India and Ceylon Tea.

13

In the Horses, Cattle, Sheep, Pig, and Poultry Classes, the entry must in every instance be made in the name of the bona-fide owner, and unless this rule be observed, no premium will be awarded; or if awarded will be withheld. If any person shall exhibit an animal or bird of which he is not the bona-fide owner, he will forfeit any premium which may be awarded him.

In all other classes entries must be made in the names of the producers or manufacturers only, and by such producers themselves in person or their agent, who must have special authority for doing so, and shall produce the authority in writing if so required by the Judges. Those who are not manufacturers or authorized agents may exhibit but cannot compete for the prizes offered. If any person other than the authorized agent shall enter an article for competition as produced or manufactured by himself, when it has not really been so, he shall forfeit any premium which may be awarded the article.

A merchant who sells a line of goods which are also sold by other merchants cannot be considered as the agent for such goods.

No person will be allowed to enter for competition more than one specimen in any one class of a Division, unless the additional article be of a distinct named variety or pattern from the first. This rule not to apply to animals, but to all kinds of grain, vegetable produce, fruit, manufactured articles, etc., to which each additional specimen would necessarily be precisely similar to the first.

Every article must be entered under some one of the headings in the regular list when possible, but if any article is of a distinct character from anything specified in the list, it may be entered in the class with which it most nearly corresponds.

On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the division, and the number of the entry, which card must remain attached to the animal or article during the exhibition.

In all cases the right is reserved to reject entirely or accept conditionally any entry or application, and under no circumstances will articles which are offensive by reason of their odour or appearance, or which are dangerous by reason of their explosive character, be admitted; and if any such be introduced by an exhibitor through misapprehension or otherwise, they may be removed by order of the Board of Directors.

Exhibitors shall, if required by the Directors, make a statutory declaration that the articles exhibited by them are exhibited in accordance with the rules and regulations of the Society; and in case any exhibitor refuses to make such declaration on being requested so to do, all premiums awarded him, her or them shall be forfeited.

APPLICATIONS FOR SPACE.

For the exhibition of all classes of manufactures, applications for space should be made to the Secretary as soon as possible, as this year it is expected that the capacity of the buildings will be taxed to their utmost.

All entries will be free for two years only.

pose of making preparatory structures, or getting the machinery and implements into position. These structures must be completed by 6 p. m., on Tuesday, 5th October.

DELIVERY OF LIVE STOCK AND ARTICLES AT THE GROUNDS.

All exhibits must be delivered on the grounds and placed in position by 12 o'clock noon on Tuesday, 4th October.

SPECIAL NOTICE TO EXHIBITORS.

As it is fully intended to have the exhibition open to the public at the time named, exhibitors are specially notified that articles or animals arriving after the above dates will not be allowed to compete. Exhibitors of machinery and other heavy articles are expected to have them on the grounds and placed in position the day preceeding the opening of the exhibition.

All boxes, wrappings and other packing material must be cleared away, and everything in proper order before noon on Tuesday, 4th October.

Exhibitors must see to it that their articles are properly unpacked and delivered to the superintendent of the department to which they belong or his authorized agent. Exhibitors must provide for the delivery of their articles upon the exhibition grounds. The Association cannot, in any case, make provision for their transportation or be subject to any expense therefor, either on their delivery at or return from the ground. All expense connected therewith must be provided for by the exhibitors, and all express and cartage charges must have been prepaid.

Articles not accompanied by their owners may be addressed to the Secretary, who will receive them on their being delivered on the grounds, if all cartage and other charges on the same have been prepaid.

Exhibitors, on arriving with their articles, will apply at the office of the Secretary, where they will be informed where the articles are to be placed.

Exhibitors will at all times give the necessary personal attention to whatever they have on exhibition, and at the close take entire charge of the same.

Exhibitors of animals, machinery in motion, and other exhibits liable to occasion accidents, injury or damage to persons coming in contact with them, shall guard their exhibits and protect the public from coming in contact therewith, and every such exhibitor shall indemnify the Society from and against all claims and demands, costs, charges, and expense, which it may incur, suffer or be put to by reason of any accident, or of any person being injured or suffering damage through or by reason of any such exhibit not being properly guarded, or the public not being properly protected therefrom.

Articles placed on exhibition must not be removed until the dates above mentioned.

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition.

The Society will take reasonable precaution to ensure the safety of articles sent to the Exhibition, but the owners themselves must take the risk of exhibiting them, and should any article be accidentally injured, lost or stolen, the Society will give all the assistance in their power towards the recovery of the same, but will not make any payment for the value thereof.

At the close of the Exhibition exhibitors must remove their exhibits as early as possible. Any article or stand left in the buildings or grounds after this time will be at the risk of the owner.

Horses must be shown uncovered and in such a manner as judges may require or allow, and if exhibitors refuse to submit to the proper requirements of the judges their animals will be ruled out, but exhibitors will have the privilege of showing their animals in harness, to bridle or under saddle as they may prefer.

All animals competing for prizes must be brought out for the inspection of the judges or for exhibition whenever called out by the official appointed to attend to that duty.

Exhibitors who desire to take their animals home at night will be allowed to do so on depositing \$5 with the Secretary as a guarantee for the return of the animal next morning. If the animal is not returned by 9 o'clock next morning the amount deposited will be forfeited to the Association.

Exhibitors can ascertain from the superintendents of the several departments when the judges may be expected to examine their animals or articles. No complaint or appeal based upon the statement that the judges have overlooked animals or articles will therefore be considered by the Board of Managers.

Any exhibitor lodging a protest must make it in writing, and it must be delivered to the Secretary or his assistant within three hours of the cause of protest; it must state plainly the cause or complaint or appeal, and must be covered by a deposit of \$2, which sum shall be forfeited to the Association if the said protest is not sustained. The Board of Managers, however, earnestly hope that exhibitors will not enter protests without the strongest grounds for doing so, as much unpleasantness and annoyance is often occasioned by protests of a frivolous nature. The Board of Managers are to be the final judges of all protests.

No animal or article exhibited shall have about it any prize colors or cards until the awards have been made in their respective classes.

No person shall be permitted in the horse or cattle rings during the time of judging except the judges, the grooms or persons in charge of the animals, and members of the press.

All prize cards which have been affixed by the judges must be displayed during the exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

Any person who shall attempt to interfere with or influence the judges while in discharge of their duties, or who shall at any time on the premises of the Association use any contemptuous or abusive language to any judge in consequence of any award made by him, shall forfeit his right to any premiums to which he might otherwise be entitled, and shall be excluded from exhibiting for one year thereafter. Judges are particularly requested to immediately report any breach of this rule.

Upon the discovery of any fraud, deception, or dishonest practice, either in the preparation, ownership, or of any representation concerning any animal or article exhibited, which may have effected, or have been intended to affect, the decision of the judges, the Board of Managers have power to withhold the payment of any prize awarded, and may prohibit any such party or parties from exhibiting for one or more years, and may also publish the names of such parties or not, as may be deemed most expedient.

LIVE STOCK.

All stall doors must be left open so that visitors can inspect the live stock between the hours of 9 a. m. and 4 p. m., and at such other times as the officers may find it desirable.

Exhibitors of thoroughbred stock must hand in the Certificate of Registry to the Secretary when entering the stock.

Good buildings are provided upon the grounds for live stock. Bedding and water will be furnished for horses, cattle, sheep and pigs without charge, from the opening till the close of the exhibition, so that the stock may be taken to the grounds immediately on their arrival. Hay and grain for cattle, horses, sheep and pigs will be for sale on the grounds at lowest prices. Exhibitors will please report at once if unreasonable prices are exacted.

A grand parade of live stock will take place at 3 p. m. on each day of the Show except Thursday, Oct. 13th, and the following rule will be strictly enforced:

The production of any animals in the horse ring may be ordered by either of the Committees on Live Stock, for review or other purposes, at any time during the exhibition; and any attendant or exhibitor refusing to bring such animals into the ring when so required, shall forfeit his entrance fees and any premiums which have been awarded him.

MEDALS.

Medals will be awarded in lieu of money prizes when desired by exhibitors, subject to the approval of the Board of Managers. The values of the medals are as follows: Gold medal, \$40; silver medal, \$7.50; bronze medal, \$4.

RAILWAYS AND STEAMBOATS.

Favorable arrangements have been made with all the railway and steamboat companies for the conveyance of passengers and articles to and from the exhibition at greatly reduced rates.

Live stock and all other exhibits sent as freight or by express will be returned free, on the freight having been paid one way, that is, to New Westminster.

PAYMENT OF PRIZES.

The Treasurer will be prepared to commence paying the premiums at his office on the grounds for all classes of exhibits, on Friday, 14th October, at 11 a.m.

Parties who may have prizes awarded to them are particularly requested to apply for them before leaving New Westminster, or to leave a written order with some person to receive them, stating the articles for which prizes are claimed.

In case there should not be sufficient funds to pay the Prize List in full, prizes will be paid pro rata.

Persons entitled to premiums must apply for them at the Secretary's office, where they will receive orders on the Treasurer for the amount. These orders must be endorsed, as they will be payable to order, not to bearer, and on presentation to the Treasurer properly endorsed they will be paid either in cash or by cheque on the bank.

Orders for premiums not applied for as above will be given by the Secretary, and the amount forwarded by the Treasurer, after the close of the exhibition, to the address given on the entry forms.

All persons to whom a prize is awarded, and who do not receive the same as above, must apply to the Secretary of the Association for payment thereof, in writing, on or before 31st October in the year in which such prize is awarded, or such prize will be forfeited.

Positively no entries will be received after Friday, 30th Sept.

JUDGES AND JUDGING.

Judging commences promptly at 3 p. m., Tuesday, 4th October.

The judges will be appointed by the Board of Managers previous to the exhibition, and will receive a circular informing them of the fact and when to report at the office on the grounds.

No person will be allowed to act as judge who is in any way interested in the articles to be examined.

It is particularly requested that the judges will not enter into argument with exhibitors as to the merits of their exhibits.

It is desired that all judges of each class go together to hand in their report, instead of sending it by one of their number, and to remain together until their book has been examined by the Secretary or his assistants, in order that cases of error or doubt may be more easily and promptly made right.

Judges will please sign and hand in their awards to the Secretary or his assistant as soon as possible, and make their more extended reports afterwards, making such recommendations as circumstances or their experience may suggest.

The judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in the class they have judged.

In the absence of competition in any section, the judges will award only such premiums as they think the article deserving of. They will exercise their discretion as to whether they will award the first, second, or any premium. In no case are premiums to be awarded unless exhibit is worthy.

Ribbons will be placed upon winners in Live Stock Class immediately after the decision of the judges. Blue ribbon denotes 1st prize; red, second; yellow, third; red, white and blue championship.

It does not follow that because a prize is offered for any particular animal or article that it must be awarded, unless there is a proper competition, or unless the exhibit is really of sufficient merit to warrant the award being made. THE JUDGES ARE PARTICULARLY REQUESTED TO NOTE THIS FACT.

In addition to the stated premiums offered for animals or articles in the list, the judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by tickets with the words "Commended," "Highly Commended," or "Very Highly Commended," upon them. These tickets will not entitle the holder to any money payment.

In awarding prizes for breeding cattle, sheep, or pigs, judges are especially instructed not to take into consideration their present value to the butcher, but to decide according to their relative merits for the purpose of breeding.

The ages of all live stock will be computed from the actual date of birth.

No animal will be allowed to enter or compete in more than one class or section except for the championship or for the best of any age in its class, and in Special Prizes and Herds.

Each award must be written in a plain, careful manner on the blank page opposite the number of the entry.

Positively no entries will be received after Friday, 30th Sept.

The judges are expected, in the execution of their duties, to be careful to act with the most rigid impartiality, and to make their entries in a clear and conspicuous manner, in all cases of doubt or difficulty referring freely to the Secretary or to the Committee of the Association in charge of the department.

For further information see instructions under entries,

MISCELLANEOUS.

If any person, through ignorance of regulations, shall bring things to the exhibition without having entered them at the proper time, the same may, in the discretion of the Superintendent in charge of the several departments, be allowed to be brought upon the grounds, and so placed that they may be examined by the public, but shall not be classified, nor shall any official examination of them be made or premiums awarded.

Where space has been awarded to any exhibitor, the Board of Managers reserve the right, in case any exhibitor shall fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof forfeited. Exhibitors must arrange their exhibits in as neat and attractive a manner as possible, and neatly fit up the space allotted to them, in default of which the Board of Managers cancel their entries and require the removal of the goods.

Instructions have been given by the Board of Managers that no bills will be recognized by the Society unless incurred by order of the Secretary. Interested parties will please pay particular attention to this fact.

The Board of Managers reserve the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the management of articles on exhibition so far as the same may be necessary to give harmony and an attractive appearance. Exhibitors will not be allowed to distribute about the grounds or buildings handbills or other advertisements that may cause a nuisance. Neat cards for that purpose are recommended, as they are more likely to be kept by visitors and not thrown on the ground.

No exhibitor or attendant will be allowed to make unseemly noises, which may be considered a nuisance, in calling the attention of visitors to his exhibits; and any exhibitor or attendant who may be guilty of distributing any advertising cards or other notices which may be considered immoral or objectionable by the Board of Managers, shall forfeit his space and all other privileges, and shall be removed from the exhibition grounds.

The parties supplying refreshments at the restaurants must lay in their supply before 9 o'clock a.m. each day, unless under special unavoidable circumstances, when permission must be obtained from the Secretary.

If any person wilfully injures or destroys any property within the exhibition grounds of the Society, or hinders or obstructs the officers or servants of the Society, or any policeman or constable duly appointed, in the execution of his duty, or gains admission contrary to the rules of the Society, he shall be prosecuted according to law.

No award of a prize not offered in the list will be paid unless sanctioned by the Board of Managers of the Society.

The officers of the Society have the power to enforce these rules, and to prohibit and prevent all kinds of gambling; to regulate or prevent the huckstering or trafficking in fruits, goods, wares, or mer-

chandise on the exhibition grounds; and any person who, after due notice of such rules, violates the same, shall be liable to be removed by the officers, constables, or policeman of the said Society, and shall be subject to the penalties.

FIRE AND POLICE PROTECTION.

The most careful and thorough arrangements possible have been made to guard against fire. A telephone attachment has been made with the fire halls, and with the precaution taken of having watchmen on during the whole night, the danger of the occurrence of fire is very remote; but exhibitors desiring insurance must give it their personal attention.

An ample police force, detailed for the purpose by the City, will be on duty night and day during the continuance of the exhibition. But exhibitors are expected to exercise constant supervision over their articles on exhibition, as the Society will not be responsible for loss or damage by fire, theft, or otherwise. Small and valuable articles should be exhibited in show cases, which may be securely locked when desirable.

ENQUIRIES.

As to the exhibition and its arrangements before the opening should be addressed to the Secretary, P. O. Box 218, New Westminster, B. C. During the exhibition, enquiries may be made at the Society's offices on the grounds.

INFORMATION FOR VISITORS.

Visitors may be assured of finding on the grounds everything necessary to the convenience of old and young during the entire day. Ample restaurants and lunch rooms will serve meals and refreshments during hours of exhibition at reasonable rates. The City authorities will co-operate with the officers of the Society in every practicable manner to ensue the safety and contribute to the pleasure of the visitors.

The formal opening will take place at 9 a. m. on Wednesday, 5th October, at which time many distinguished persons have been invited to be present.

The Citizens' Celebration Committee are preparing an extensive list of the very best drawing attractions for the entertainment of our visitors which will be published through the press and by programs.

Several bands of music will be present each afternoon and evening.

ADMISSION TO THE GROUNDS.

The price of admission will be 25 cents each time of entering.

GATE KEEPERS AND TICKET SELLERS.

In no case will any individual be allowed to pass through without first having deposited his ticket. Separate gates will be provided through which all officers of the Association and others provided with passes will be admitted. Imperative instructions are given to the gate keeper that he will not recognize any authority but the pass issued by the Secretary bearing the presenter's name in full.

Tickets will be sold for 25 cents. Every individual entering the grounds will have to pay 25 cents each time of entering. Membership tickets will, of course, entitle the party whose name appears upon them to admission.

Positively no entries will be received after Friday, 30th Sept.

T. S. Annandale, Our Grocer, Dupont Block

22

It is undesirable that parties with teams or single buggies should be admitted to the grounds, but in order that no dispute may arise on this point, the arrangement has been made by which the following charges will be made: For single horse and buggy, 50 cents for driver and vehicle; for team, \$1 for driver and vehicle. In the case of both of these all other occupants will be charged the usual entrance fee of 25 cents.

Gate keepers will be instructed to be on the grounds not later than 7 a. m. each day, and will remain upon the ground until granted permission to leave by the Secretary.

SECRETARY'S SPECIAL REQUESTS.

Please read the foregoing rules carefully.

Make out entry papers in accordance therewith.

Be particular to send entries as early as possible.

Do not be later than September 30th, but rather before, as there may be corrections required which may necessitate our writing you.

Give registry numbers where required in Live Stock classes.

Be particular to give post office addresses as complete as possible.

If your neighbors express a desire for a copy of the Prize List, send their address at once on a post card and a copy will be mailed.

Certificate of Registry must be sent with entries of Pedigreed Stock to the Secretary.

NOTICE.—No entries will be received after 30th September.

When you have done with this book pass it on to your neighbor.

Breeders of Live Stock, Manufacturers, etc., cannot possibly find a better or cheaper means of introducing their stock and goods to the public, or of keeping them before their notice, than by making an exhibit at this Exhibition, which is annually attended by a large number of visitors from all parts of the Province, Northwest Territories and other parts of Canada, as well as the adjoining States.

A multitude of interesting Special Attractions will be presented each day of the Exhibition, providing the greatest and best Entertainment of the year.

DIVISION J.

Manufacturers and Industrial Department.

No charge is made for space but entry must be made of each exhibit.

Articles in this department will be received for exhibition only. They must, however, be entered with the Secretary in the same manner as articles in other classes.

SPECIAL NOTICE AS TO PRIZES.

In response to enquiries made of the manufacturers of the country it appears to be the desire of a very large majority that prizes should not be offered in the general line of manufactures. It will, however, be at the option of the Judges to recognize by the awarding of medals or diplomas any exhibit where the extent or merit of the same would seem to call for special recognition.

For Special Prizes see end of Prize List.

Railway and Steamboat Facilities for Our Big Fall Exhibition.

In order to swell the influx of visitors to this year's Provincial Fall Fair, the Canadian Pacific Railway Co. have generously agreed to convey all exhibits from Calgary west absolutely free of freight charges, provided the ownership of the exhibits is not changed, and that they are returned immediately after the show to the points from which they were originally shipped. Live stock will be carried at one fare. The Company have also agreed to greatly reduce rates of fare for visitors to the exhibition, as the following scale will show. The sale of tickets will commence on Tuesday, October 4th, and selling up to and including the 9th, good to return up to and including the 15th:
